

COMPANY STATEMENT

CASHDISTRO, LLC is a full-service ATM company. We handle installation, maintenance, and processing cash service through strategically placed ATMs.

CORE COMPETENCIES

DELIVERY & INSTALLATION

Leave the HEAVY lifting to us! We'll order, deliver, install, and fill the ATM without cost to you or your business.

INDEPENDENT INTERNET

Our ATMs have a built-in Wi-Fi router to ensure responsiveness for every customer transaction.

MAINTENANCE & SERVICING

Our ATMs are regularly maintained and serviced for optimal performance year round.

24-HOUR PROTECTION

We keep our ATM and your business safe with around-the-clock GPS monitoring and an active alarm system. This serves as an active deterrent to any theft or vandalism.

REPLENISHMENT

Our professional technicians will refill the ATM as required, so you will NEVER have to worry about the machine running empty.

ATM MARKINGS (IF APPLICABLE)

If desired, markers can be placed on top or near the ATM for increased customer visibility and access.

DIFFERENTIATORS

- CASHDISTRO, LLC is the perfect choice for businesses of all sizes looking for the best ATM service to boost profits and reduce operational costs.
- With our company size, we are able to provide personalized attention to our customers and ensure that all needs are met with care and efficiency.
- We are the company you can rely on for excellent customer service tailored to your individual business needs.
- Offering the best services, we have the perfect solution to help your business thrive into the future.
- Our primary goal is to provide top-notch services, for small businesses and corporations.
- So no matter what your needs are, our aim is to help your business grow.
